

1 December 2023

Dear patients of Billinge Medical Practice,

We hope this message finds you well. We would like to inform you of an important change in partnership at our practice. We are pleased to welcome Dr Fahmin Kabir, Dr Maryam Qureshi, and Erika Howell as our new partners at Billinge Medical Practice. They bring with them a wealth of experience in supporting practices and enhancing services and access for patients.

As part of this transition, we would also like to inform you that Dr Shah and Dr Sood have left the partnership and will no longer be working at our practice. We would like to thank them for the contributions they have made to our team and wish them all the best for the future.

During this time, we are conducting a comprehensive review of all our services to ensure we continue to meet the highest standards set by the Care Quality Commission (CQC) and NHS guidelines. As part of our commitment to providing excellent care we have recruited salaried clinical staff who will be joining our team from the 1st of December 2023.

We understand that change can sometimes be unsettling, but please be assured that we are dedicated to delivering the quality of care you expect from your practice. We will continue to keep you updated with further information and any necessary updates as we progress through this transitional period.

We would like to take this opportunity to thank you for your understanding and patience during this time of change. We look forward to meeting you all soon and working together to improve our services to better meet your healthcare needs.

Best regards,

The Team at Billinge Medical Practice
